

## Package leaflet

### Aspecton<sup>®</sup> Immune

**With vitamins, trace elements and herbal extracts**

**For adults and children from 12 years of age**

Vitamin C and D, zinc and selenium contribute to proper functioning of the immune system.

Dietary supplement with sweeteners

#### Dear user,

A balanced and diversified diet is important for a healthy immune system. In particular vitamins and antioxidants contained in fresh fruit and vegetables help to maintain proper functioning of the body's defence system. A healthy immune system is especially important in the cold season or when going through a rough patch, such as during times of persistent stress or strenuous physical activity.

Aspecton<sup>®</sup> Immune is a dietary supplement containing the vitamins C and D as well as zinc and selenium, which all contribute to proper functioning of the immune system. Vitamin E helps to protect cells from oxidative stress.

#### Ingredients:

water, ascorbic acid (vitamin C), cistus extract powder (cistus extract, maltodextrin), flavourings: orange flavouring, grape skin extract, tomato extract (tomato extract, modified maize starch, maltodextrin, emulsifier sucrose esters of fatty acids, emulsifier **soy lecithin**, stabiliser gum arabic), zinc sulphate, DL- $\alpha$ -Tocopheryl acetate (vitamin E), preservative potassium sorbate, vitamin D concentrate (saccharose, filling agent gum arabic, maize starch, medium-chain triglycerides, separating agent tricalcium phosphate, cholecalciferol (vitamin D3), antioxidant  $\alpha$ -Tocopherol), sodium molybdate, sodium selenate, thickening agent xanthan gum, sweetener saccharin sodium, sweetener sodium cyclamate, sweetener acesulfame, sweetener sucralose.

7, 14, 28 daily portions of 20 mL each = 140 mL, 280 mL, 560 mL
